Grace Church

The Rev. Josée Lemoine
(514) 891-3081

It is now officially summer! Many of us have had both doses of vaccine and feel more comfortable getting out to see people in person. Precautions must continue to be taken as there are still extremely contagious variations of the corona virus in circulation. After all the restrictions we have been through it would be terrible to let our guard down and end up sick. Stay safe! Wear a mask when moving around where others are present. Wash your hands frequently. Keep 6 feet between you and others who are not of your household. Do not gather in large groups.

Grace Church will resume in-person services as of July 4, 2021. All attendees must reserve with Astrid Norquay at 514-502-3776 or by email at astridnorquay@yahoo.ca. There are limited spaces available so reserve early. Grace is one of only two churches in the LRM holding in-person services as of now so online services will continue to be offered at 4:00 pm. Attached is a letter from the Executive Archdeacon and Vicar General, the Venerable Robert Camara, regarding the precautions required by the Diocese of Montreal. Please take a moment to read the letter and familiarize yourself with these cautions.

Attached to this News Bulletin you will find the announcement by Bishop Mary of the appointment of Tania Lesack as Associate Priest in the Laurentian Regional Ministry as of September 1, 2021. Please save the date on the afternoon of September 22, 2021, for her induction. Details will follow.

If you have not done so already, please consider joining with the members of the LRM for worship either by phone or online using the links and information in the chart below. If you need help connecting, please do not hesitate to call Astrid Norquay at 514-502-3776.
